Boreham Parish Footpaths
Walk One

From Boreham Queens Head, adjacent to the Church, to River Chelmer Circuit – 2½ miles – 1¼ Hours

From the Queen's Head cross Church Road and go down the footpath beside Babylon in a southerly direction. At the end of the garden turn left and then right to follow the line of the two oak trees to the footbridge. (The footpath is shown on the definitive map as a straight line but custom has altered this).

Take care, especially with small children as you cross the bridge then turn left. Follow the field as it bears round to the right until you come to a gap in the hedge. Go through the gap and continue in the same southerly direction.

The footpath crosses the water meadow to arrive at the wooden footbridge over the River Chelmer, by the Mill House.

As you reach the bridge turn right and follow the river as it bears right. Eventually the river does a 90 degree turn south. At this point turn right (North) away from the river and follow the track uphill.

After 100 metres turn right and follow the track past farm buildings on your right and Boreham Hall on your left. Turn left immediately after Boreham Hall and follow this track until you reach the road (The Chase). Turn right into The Chase and continue until you arrive at Church Road. Turn right into Church Road and pass the Church on your left to arrive back at the starting point.
