# Boreham Parish Footpaths

# Walk Two

**From Boreham Church to Little Baddow Tea Room Circuit – 4 miles – 2 Hour**

From the Church turn left (East) into Church Road. Pass Juniper Road and Plantation Road on your left and when the road turns 90 degrees right you will find a farm track on the left just around the bend. Take this farm track which goes in an easterly direction passing Culverts Cottage and Brakey Wood. Keep following the track which eventually bears right and then left to arrive at the road into Little Baddow.* Turn right into this road and follow it southerly until you arrive at the River Chelmer.

Immediately after the road crosses the river there is a gate on the right that takes you past the Tea Room. Follow this path alongside the river for some distance until you arrive at the next road (Black Bridge).

Cross Black Bridge and then immediately turn left to continue following the river bank on the north side.

Shortly you will arrive at a wooden bridge. With your back to the wooden bridge walk away from the river across the Water Meadow in a Northerly direction towards Boreham Village.

Once across the Water Meadow continue straight on until you reach a gap in the hedge. Go through the gap and continue walking in the same direction (North).

Follow the field as it bears round to the left and then watch out for a footbridge on your right.

Cross the footbridge and continue up the field along the line of the two oak trees. At the top of the field turn left and then right to follow the path back to Church Road where you started.

Appropriate footwear should be worn. Dogs should be kept on leads.
*Please note, that part of the walk will be along main roads, so please take care.
