Walk Four

From Boreham Village to Toppinghoehall Wood Circuit - 4 miles - 2 hours

Start at the Village Hall Car Park on Main Road. Exit the car park onto Main Road. Cross the road and turn right along Main Road. Pass the Six Bells PH and Shearers Way. Take the next left, Waltham Road. Continue over the bridge spanning the A12 and railway lines. Pass the Industrial Estate on your left and after the houses and bowls green on your right, turn right into Chantry Lane.

Walk the length of Chantry Lane to find the only footpath which is on your left just before the end.

Cross the stile and continue straight ahead with trees on your left-hand side. Continue straight ahead until you come to a ploughed field. Still continue straight across this field. (The path across this field goes towards the house (Toppinghoe Hall) to the right of the barn. Toppinghoehall Wood can be seen on your left).

Follow the track between farm buildings and then left along the track to Toppinghoehall Wood. Continue along the track beside the wood for 200 metres. Then turn left and follow the path through the wood until you emerge the other side.

Turn left as you exit the wood and follow the field edge. Pass through a gate and continue ahead until you reach the road.Turn left onto the road and continue for 100 metres. Take the footpath on the left crossing the field at a direction of 1 o'clock to the nearby hedge corner.

Continue in a straight line with the field on your right. Pass over two stiles that are close together and continue straight along the field edge of this and the following field. You will find a stile on your right leading back into Chantry Lane. Turn right into Chantry Lane after crossing the stile.

Now retrace your earlier steps back to the village hall by turning left at the end of Chantry Lane and then right at the end of Waltham Road. Pass the Six Bells and the Village Hall is shortly ahead on your left.

Appropriate footwear should be worn. Dogs should be kept on leads. Please note, that part of the walk will be along main roads, so please take care.
