To Members of the Chantry and Chase Field Sub Committee

You are hereby summoned to attend the Chantry and Chase Field Sub Committee Meeting of Boreham Parish Council at **7.30 p.m.** on Monday 21st July 2025 in the Parish Office at the Village Hall for the purpose of transacting the following business:

…… Mrs L Miller Clerk to the Parish Council

AGENDA

Anyone wishing to record either of these meetings should let the Parish Clerk or Chairman know before the meeting commences and you will be shown the designated recording area. Please refer to our Recording of Meeting policy so you are aware of what is and is not permitted. The Clerk will make the only true recording of the meeting and this will put on the website for a short period of time.

CC11. Apologies for Absence

CC12. To accept Councillors' declarations of interest:
All Members are reminded that they must disclose any interests they know they have in items of business on the meeting's agenda and that they must do so at this point on the agenda or as soon as they become aware of the interest.

CC13. Public Participation Session (limited to 20 minutes subject to the Chairman's discretion).

CC14. Chantry Field

- **To look at the proposal following a site visit from ETC Sport Surfaces. This is currently only a confirmation proposal that the council could consider a whole host of surfaces on the site and the proposal was drafted with the site as it currently stands not with any changes that the council would likely undertake beforehand like a new entrance and car park. It also provides places where they have built other surfaces including the Hatfield Peverel tennis courts which are currently being built.**
- **Does the Parish Council wish to visit some sites to have a look or do you think it may be a bit premature whilst the purchase of the Bowls Club is still ongoing? Should we complete the purchase and then look at applying for a new entrance and carpark in the first instance?**
- **Sewage Treatment Plant update following Roe Environmental visit.**

CC10. Chase Field

- **Who is going to enter into a new discussion with the City Council regarding the lease?**

CC11. Football Club Grant Application
Waiting for confirmation that the following will suffice: Approve a 12 year lease with the Sports & Social Club which if confirmed will not require the council to be joint applicants. The previous lease as it was for 10 years should have been registered with the Land Registry and it is the tenants obligation to do this but I doubt they were aware so any new lease should be registered.

The proposed date and time of the next meeting is to be confirmed.
