

BOREHAM PARISH COUNCIL

Boreham Parish Office, Village Hall, Main Road, Boreham, CM3 3JD

Phone & Fax No: 01245 469941

E-mail: borehampc@hotmail.com

15 September 2026

To Members of the Greens Committee:

Councillors Mr P Elkington, Mr G Elson, Mr M Powell, J Galley and Mrs L Reed

You are hereby summoned to attend a Meeting of the Greens Committee of Boreham Parish Council at 7.30pm on **Monday 21st September 2026** in the Parish Office for the purpose of transacting the following business:

..... Lisa Miller

Clerk to the Parish Council

AGENDA

Anyone wishing to record either of these meetings should let the Parish Clerk or Chairman know before the meeting commences and you will be shown the designated recording area. Please refer to our Recording of Meeting policy so you are aware of what is and is not permitted. The Clerk will make the only true recording of the meeting and this will put on the website for a short period of time.

1. **To accept apologies for absence.**
2. **To accept Councillors' declarations of interest:**
All Members are reminded that they must disclose any interests they know they have in items of business on the meeting's agenda and that they must do so at this point on the agenda or as soon as they become aware of the interest.
3. **Public Participation Session (limited to 20 minutes subject to the Chairman's discretion).**
4. **To confirm the Minutes of the Greens Committee Meeting held on 15th June 2026.**
5. **Lion Inn Allotments**
To receive a report on the Lion Inn Allotments (attached).
6. **Volunteers Report**
Report will be provided by Cllr Stocks.
7. **Chase Field Lease**
CCC legal department has now made contact and this has been passed onto Leonard Gray to proceed with the lease.
8. **Village Hall Car Park Gates to Scout Hut**
There has been a complaint from the Scouts that people are parking in front of the gates and the Scouts are then unable to use vehicular access plus it is an emergency access and these gates should remain accessible at all time. There also seems to be an issue with the gate which may need to be looked at by a professional.
9. **Speed indicator Device – Church Road**
The device has now been reinstated on Church Road. However, despite charging the battery, the SID is not working. It may require a new battery or there may be some other fault as they have not been serviced in a long while. The council does not currently have any money allocated for this in the budget.
10. **Request for Lighting for Men's Health Session**
Requests have been received from members of the men's fitness group asking for the floodlight to be reinstated on Wednesday mornings. I have informed them that the floodlight is run by a timer and if it were to be switched on, it would come on at that time every day which is not cost effective and may receive negative feedback from the local residents coming on at 6am every day. The connection and timer is also in the council's old office in the Village Hall which is now rented out by a religious group, so access cannot be granted to switch it on for that one hour and it wouldn't be our permission to give in any case.
11. **Financial Matters**
 - a) To receive a budgetary control report on Greens.

The next meeting of the Greens Committee is on Monday 16th November 2026
